Unique Aspects of Bolivia at UNCSW

Aspect	Description
High Female Political Representation	As of February 2024, women held 46.2% of the seats in Bolivia's parliament, showcasing the country's commitment to achieving gender parity.
Focus on Indigenous Women's Rights	Bolivia is committed to championing the rights and empowerment of indigenous women, which aligns perfectly with the UNCSW's mission to support marginalized groups.
Comprehensive Gender Equality Legislation	Bolivia has put in place laws that tackle issues like gender-based violence, promote political participation, and support economic empowerment.
Active Participation in UNCSW Sessions	Bolivia consistently takes part in UNCSW sessions, where it shares both its achievements and the hurdles it faces in the journey toward gender equality.
Integration of Gender in National Policies	Gender perspectives play a key role in shaping Bolivia's national development plans and policies.
Commitment to International Conventions	Bolivia has signed on to CEDAW and is committed to reporting on how it's putting those standards into action, showing its dedication to international accountability.
