Unique Aspects of France's Engagement with UNCSW and Gender Equality

- **Comprehensive Legal Framework:** France firmly stands by gender equality, a principle that's woven into its Constitution. It ensures that both women and men have equal opportunities to hold elective offices and take on roles of professional and social responsibility.
- **High Representation of Women in Politics:** As of February 2024, 37.3% of seats in the French Parliament were held by women, reflecting ongoing efforts to promote gender parity in political representation.
- **Strong Legal Framework for Gender Equality:** France has set up a legal framework that encourages a comprehensive and cross-cutting approach to gender equality, making sure that gender considerations are woven into every area of policy.
- **Active Participation in UNCSW:** France is a consistent participant in UNCSW sessions, where it submits national reviews, delivers statements, and takes part in side events to exchange best practices and learn from other countries.

- **Focus on Economic Equality and Women's Rights:** France emphasizes economic equality and the rights of women, highlighting these issues during UNCSW sessions and in its national policies.
 - **Commitment to Gender Equality in Development Cooperation:** France is working to weave gender equality goals into its development cooperation initiatives, making sure it aligns with global commitments to uplift women's rights everywhere.
