Unique Aspect	Explanation
Highest Female Parliamentary Representation	Rwanda proudly boasts the highest percentage of women in parliament anywhere in the world, with an impressive 61% of the seats held by women.
Comprehensive Gender-Based Violence Legislation	Rwanda made a significant move in 2008 by passing a groundbreaking law aimed at tackling gender-based violence, which set an important example for the rest of Sub-Saharan Africa.
Implementation of UN Security Council Resolution 1325	Rwanda has put together National Action Plans to put UNSCR 1325 into action, with a strong emphasis on the vital roles women play in peace and security.
Gender Equality in Education	Policies such as the Girls' Education Policy from 2008 and the University of Rwanda Gender Policy from 2016 are designed to promote equal educational opportunities for all.
Economic Empowerment Initiatives	Programs like the Women Guarantee Fund and the establishment of Women's Bank are great initiatives that promote financial independence for women.
Gender Monitoring Office	Founded in 2007, this independent organization is dedicated to ensuring accountability in the promotion of gender equality across various institutions.
Integration of Traditional Practices	Initiatives such as Umuganda and Gacaca courts blend traditional practices to foster reconciliation and boost community development.
Active Participation in UNCSW Sessions	Rwanda is a regular contributor to UNCSW sessions, where it shares its best practices and works to align its national policies with global goals for gender equality.
Focus on Women's Leadership	Programs are designed to boost women's involvement in leadership positions across all tiers of government and society.
Commitment to Transparency and Accountability	Rwanda is proudly demonstrating its commitment to transparent and impactful gender equality initiatives through platforms like the UN Women Transparency Portal.
