Unique Aspects of the USA at UNCSW

Aspect	Description
Headquarters of UN Women	The UN Women headquarters can be found in New York City, USA, placing the country right at the heart of global efforts for gender equality.
Active Participation in UNCSW Sessions	The USA consistently takes part in UNCSW sessions, where it discusses both the advancements and the hurdles in achieving gender equality.
Comprehensive Gender Equality Legislation	The USA has put laws in place to tackle issues like gender-based violence, encourage political participation, and promote economic empowerment.
Integration of Gender in National Policies	Gender perspectives are woven into the national development plans and policies of the USA.
Commitment to International Conventions	Although the USA has signed CEDAW, it hasn't ratified the convention yet, which shows that there are still ongoing discussions at home about our commitments to international gender equality.
Promotion of Women's Economic Empowerment	USA is boosting women's involvement in the workforce and lending a hand to women entrepreneurs.
Advancement of LGBTQ+ Rights	The USA is committed to championing the rights of LGBTQ+ individuals, including those of transgender people, while also tackling important issues surrounding gender identity and expression.
Efforts to Combat Gender-Based Violence	The United States has put various strategies in place to tackle and prevent gender-based violence, one of which is the Violence Against Women Act.
Engagement with Civil Society	Teaming up with NGOs and community organizations really boosts the impact of gender equality initiatives.
Focus on Intersectionality	U.S. policies highlight the need to tackle the specific challenges that various groups encounter, particularly women of color and LGBTQ+ individuals.
