Unique Aspects of Czechia's UNHRC Profile

1. **Substantial Ukrainian refugee-station belt**—highest per capita in EU; active resettlement and integration efforts.
2. **Strong civil society influence**—NGOs have successfully pushed for legislative reform (e.g. rape law).
3. **Advanced digital policy**—data retention abolished; facial recognition surveillance flagged by NGOs.
4. **Human rights-focused digitalization**—Czech eIDAS-based citizen digital rights enshrined in law.
5. **Child protection leadership**—multiple CRC concluding observations demanding statutory reform.
6. **Police reform criticisms**—US State Dept raised issues of police treatment of Roma and migrants.
7. **Corporal punishment ongoing dialogue**—civil society prompted international recommendations .
8. **Audio-visual UPR transparency**—public access through UN Web TV to review sessions.
