Unique Aspects of Estonia's Engagement with UNCSW and Gender Equality

- **Comprehensive Legal Framework:** Estonia takes gender equality seriously, and you can see that commitment reflected right in its Constitution. It clearly states that everyone is equal under the law and that discrimination based on sex is a no-go.
- **Gender Pay Gap Reduction:** Estonia has committed to closing the gender pay gap and strengthening legal protections against discrimination based on gender.

- **Active Participation in UNCSW Sessions:** Estonia is a regular participant in UNCSW sessions, where it submits national reviews, shares statements, and ensures its policies align with global gender equality goals.
 - **Integration of Gender Perspectives in Policy:** Estonia is making strides in gender equality by weaving these objectives into various policy areas like employment, education, and health. This ensures a well-rounded approach to empowering women.
 - **Promotion of Women's Rights through Civil Society:** Civil society organizations in Estonia are crucial in championing women's rights and promoting gender equality. They work hand in hand with the government to put effective measures into action.
