Unique Aspects of Georgia's Engagement with UNCSW:

- **Comprehensive Gender Equality Profiles:** Georgia has put together comprehensive Country Gender Equality Profiles that offer a strategic look at the progress, trends, challenges, and priorities related to gender equality.
- **Focus on Women's Economic Empowerment:** Initiatives such as the "Supporting Women Entrepreneurs in Georgia" project aim to empower women entrepreneurs, enhancing their participation in the economy.
- **Addressing Gender-Based Violence:** National studies show that a large number of women have faced violence, which has led to focused efforts aimed at tackling gender-based violence.
- **Unpaid Care Work Research:** Research on unpaid care work and gender inequality underscores the importance of implementing policies that acknowledge and fairly distribute unpaid care duties.
- **Promotion of Women's Empowerment Principles:** Georgian business companies' experiences with Women's Empowerment Principles are showcased, promoting gender equality in the workplace.
