Unique Aspects of Sweden's Engagement with Gender Equality and UNCSW Agenda

- **Feminist Government:** Sweden proudly holds the title of the world's first feminist government, weaving gender equality into every facet of its domestic and foreign policies.
- **Institutional Mechanisms:** The Swedish Gender Equality Agency is crucial in bringing together and putting into action gender equality policies across different sectors.
- **Gender Mainstreaming Approach:** Sweden is all about weaving gender perspectives into every step of policy-making and implementation across different sectors.
- **Representation of Women in Politics:** As of February 2024, women held 46.7% of the seats in the Swedish parliament, showcasing the nation's

dedication to achieving gender equality in political representation.

- **Active Participation in UNCSW:** Sweden is a consistent participant in UNCSW sessions, where it submits national reviews, delivers statements, and takes part in side events to exchange best practices and learn from other countries.
 - **Commitment to International Frameworks:** Sweden makes sure its national policies are in sync with international commitments, like the Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW) and the Beijing Platform for Action.
